Please read the included information regarding your teams competing in tournaments throughout the 2017 - 2018 season. It is important that you all plan your tournaments prior to your team meetings. Before selecting tournaments please take into consideration the following...

1. The level of the tournament compared to your team. Ensure that you are entering a tournament that will challenge your team and is appropriate for their level of play.
2. Flight – ensure when you enter tournaments with more than one division (gold/silver) that you specify in your application. If mistakes are made contact the tournament in due time.
3. Look at your camp schedule when planning tournaments. Avoid back-to-back tournaments, camps etc (avoiding fatigue).
4. Do not plan tournaments that you can not attend as a coach (if conflicts come up after, then communicate with DOC).
5. We would like as many teams to attend the same tournaments to help build the clubs identity and reputation. Please ensure you enter tournaments from this list (Beach Soccer, Stanford Summer Classic, CV Footie Fest)
6. If you have multiple teams, avoid two different tournaments, since they will not be able to assist with scheduling conflicts.
7. Lastly as a head coach ensure you ask for your players availability at their earliest convenience. Plan ahead!
8. Travel Tournaments (Santa Cruz): Ensure to have a parent take over hotel bookings and other team arrangements.
9. Coach's hotels and travel expenses (see Appendix i) are covered by team account and claimed back quarterly through expenses.
